Woods CDC Summer Camp

It's summer and time for fun! These camps for children ages 3 and 4 feature a different theme each week. All camps are led by our professional teaching staff. Staff/camper ratio is 1/7.

Campers should bring sunscreen and a change of clothes each day. A snack is provided. **Woods CDC is a nut-free center.**

Camp Hours & Fees

Monday through Friday
9:00 am—12:00 noon

\$150.00/week

A written withdrawal must be received in the Woods CDC office three weeks prior to the camp start date to receive a refund.

Woods CDC reserves the right to cancel any week of camp due to insufficient enrollment. An alternate week of camp or a refund will be offered in the event of our cancellation.

Schedule of Themes

June 24-28: Once Upon a Time

Imagine a land with knights and princesses, at least one fiery dragon, elves and fairies. Enjoy story time, magic concoctions, castle building and a treasure hunt quest. Bring home your own wood elf/fairy garden.

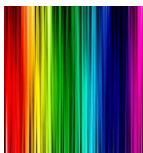

July 15-19 Rock On, Jr. Geologist

Where do rocks come from? How many kinds are there? From buildings to jewelry, rocks are everywhere! Rock hunting and collecting, classification, and experiments, as well as rock art, music, and stories will fill our day.

July 22-26 Color Magic

A rainbow of colors sets the stage for artistic and scientific exploration of hue, shade, and tint. Play with new colors, make colors from natural materials, have fun with tie-dye and create works of art.

Aug 5-9: Creepy Crawley Critters

The world of insects, spiders, snakes and slugs will have campers squealing with delight. Learn about bugs' habitats and quirky habits, design your fantasy bug, and practice dancing like a bee!

August 12-16: Commotion in the Ocean

The deep blue sea is the place to be! Investigate ocean creatures large and small and the wonder of water through science, music, art and stories.
